

Fluzone® (Influenza Vaccine) Return Goods Form – 2016-2017 Season

Fluzone vaccine is only returnable upon expiration. The quantity and terms are subject to contractual, promotional, and program exceptions. Indirect products will be destroyed upon receipt.

Returns must be received by August 15, 2017.

The Returns Goods Policy is subject to change. Please see your current Fluzone vaccine contract or program for details.

Products must be shipped pre-paid to:

Sanofi Pasteur
c/o GENCO Pharmaceutical Services
6101 N. 64th Street
Milwaukee, WI 53218

It is not necessary to refrigerate the outdated products when they are returned. Please obtain tracking information from the carrier for traceability of your return.

Please confirm the information below is accurate and print this form in its entirety.

Include the completed form in the box with the product(s) and ship to the address above or use the label below.
